

Subject: Animals in Art Show 2023

Dear Seaside Art Gallery

I am writing to submit my proposal for Animals in Art Show 2023 to be held by your gallery. I think the animal art display is very meaningful, and I also hope to share my animal works with you. Artists can express their relationship with animals through animal art.

Please find enclosed my gallery exhibition proposal, artist statement, image description sheet, and images of my artwork.

Cover Letter

I am a graduate of Thompson Rivers University and I am writing to express my interest in attending Animals in Art Show 2023 hosted by your institution. I think this animal art exhibition is very meaningful, and I hope to share my animal works with everyone.

I hope to express the relationship between people and animals through animal art.

My artwork focuses on endangered animals, aiming to raise awareness and inspire protection efforts. I believe my work will resonate with visitors to Animals in Art Show 2023 and contribute to the ongoing conversation about conservation and our shared responsibility to protect endangered species.

Gallery Exhibition Proposal

My work shows the relationship between humans and endangered animals, which is consistent with the theme of this exhibition. The specific works I would like to exhibit

are:

Controlled Marine Life: An acrylic painting created in 2022. The size of the work is 48*48.

An Unprotected Future: An acrylic painting created in 2023. The size of the work is 24*36.

Hope: An acrylic painting created in 2023. The size of the work is 36*48.

Life and Death: An acrylic painting created in 2023. The size of the work is 48*72.

Soft Future: An acrylic painting created in 2023. The size of the work is 24*36.

Relax: An acrylic painting created in 2023. The size of the work is 24*24.

Food: An acrylic painting created in 2023. The size of the work is 24*24.

Artist Statement

As an artist, I am deeply moved by the beauty and fragility of Earth's endangered species. My work combines realistic acrylic paintings with elements of human intervention, illustrating both the harm and protection we provide to these precious creatures. Through my art, I hope to inspire viewers to take action and contribute to the preservation of our planet's biodiversity.
